

# SOUTH AUSTRALIAN MARITIME MUSEUM

## EDUCATION PROGRAM SAFETY GUIDELINES

The following guidelines are to ensure you get the most from your educational experience at the Museum. Please share this important information with your students and accompanying adults prior to entering the Museum.

- Students are to follow the directions of supervising adults and museum staff.
- Please consider other school groups and visitors to the museum.
- Whistles are not to be blown inside the Museum.
- No food or drink inside the Museum.

### Expectations for Students

- Remember you are visiting a Museum and appropriate behaviour is expected.
- Listen to the instructions of supervising adults and only use a quiet voice.
- Please stay with your group.
- Walk safely around the exhibitions.
- You will share the space with other visitors, so please be respectful.

### Ketch – Active II

- Teachers are to accompany students on the ketch **at all times**.
- The ketch is not a play area and students are to be reminded not to swing on the ropes.

### Hygiene

- There are 15 hand sanitiser stations located throughout the Museum for you to use.
- All touchpoints in the Museum are cleaned each morning and during the day to ensure the safety of all visitors.
